Camera bag Aribau ready to hit the shelves

Vax Barcelona is proud to announce the new and stylish Aribau ultra compact digital camera bag.

The exterior perimeter of the Aribau bag, EVA (Ethilene Vinyl Acetate) provides security for the camera against shock as the water tight zipper will protected it against water filtering inside. In addition to this, the Aribau has inner memory foam which will take shape of the camera by giving it additional protection.

A lanyard and a belt hook is included with the product to fit the lifestyle of the user.

This product is offered in 5 different colors.

VAX-8001 (BLACK) VAX-8002 (ORANGE) VAX-8003 (RED) VAX-8004 (GREEN) VAX-8005 (GREY)
