Club 3D announces the introduction of the new ATI Radeon HD5830 1GB Overclocked Edition

AMSTERDAM, The Netherlands - March 25, 2010 - Club 3D B.V. today announced the newest offer out of the latest HD5800 graphics cards series.

The Club 3D ATI Radeon HD5830 1GB Overclocked Edition features a redesigned active heat-pipe cooler and a factory overclocked Gpu/Memory. Expand your field of view across up to 3 displays and see more detail than ever before enhancing the feeling of being IN the game. With ATI Stream technology, boost system performance by offloading tasks that were previously CPU bound on to the GPU for better balanced platform.

With DirectX® 11 support you can play the latest HD games with unrivalled visual quality, astonishing realism and ultra-fast frame rates.

Features

- PCI Express 2.1 x16 bus interface
- DirectX® 11 support
- OpenGL 3.2 support
- ATI Eyefinity multi-display technology
- Microsoft® Windows® 7 Support
- ATI Stream acceleration technology
- ATI CrossFire™ multi-GPU technology
- ATI Avivo™ HD Video & Display technology
