

Travel Charger 240 Watt GaN technology, Four port USB Type-C, Power Delivery(PD) 3.1 and PPS Support

Product Name:

Travel Charger 240 Watt GaN technology, Four port USB Type-C, Power Delivery(PD) 3.1 and PPS Support

Product Series:

Power

Product Code:

CAC-1918

EAN code:

8719214473068

UPC code:

841615103324

Description:

The Club 3D CAC-1918 Travel Charger 240 Watt GaN technology, Four port USB Type-C, Power Delivery(PD) 3.1 and PPS Support is a high-performance and fashionable design travel charger. Versatility: Perfect solution for business travelers and power users needs and multiple ports. This means you only need one charger for all your modern devices, and you don't have to worry about carrying multiple adapters. Portability: Highly portable and easy to carry (535 gr / 18.87 oz) in a backpack or luggage, making it ideal for business travelers who need to stay connected on the go without being weighed down by bulky chargers. Powerful charging: The 240 Watt charger charges multiple devices simultaneously at high speed, while improving the life of your batteries at the same time. Ensuring busy travelers can stay productive on the move without waiting around for hours. Built-in safeguards protect your devices against excessive current, overcharging and overheating(OCP-OTP-SCP-OVP). The unit comes with a supporting bridge to position the unit upright.

Features:

- Internal chip allows the 100-240VAC of input voltage

Four USB Type-C connectors for outputs:

All-port: Total: 240W MAX

- Accurate limited current output and over current protection(OCP)
- Overload protection and over voltage protection(OVP)
- Short circuit protection (SCP)
- Over temperature protection and remove the fault condition auto-recovery(OTP)
- Compliant with CE, UL, FCC, DOE, CEC, NRCAN standards.
- Select precision electrical components, fire line version, and imported fire plastic
- Portable and convenient to use
- Specially designed for your Type-C supported devices
